

UCCS STEM OUTREACH PROGRAM

July 18-20, 2022

The University of Colorado Colorado Springs invites students to a unique, interactive program where they will perform collegiate-level labs in Chemistry, Microbiology, Biochemistry, and Human Anatomy. These labs aim to encourage students to engage in STEM fields in the hope of inspiring a potential career in either medicine or to pursue scientific research.

- **Location:** UCCS - 1420 Austin Bluffs Pkwy, Colorado Springs, CO 80918
- **Cost:** A \$20 deposit will be refunded after the third day of participation
- Lunch will be provided

Application Information

Deadline: May 28, 2022
