

2.9.22: SUMMER PROGRAMS FAIR

DID YOU ATTEND THE LIVE SUMMER PROGRAMS FAIR?

If you attended the live summer programs fair, did you complete the interest form at the end of the session? If not, complete the form at:

https://peakedu.formstack.com/forms/summer_programs_fair_interest_form

(If you did NOT attend the fair, do NOT complete the above form. Go to the make-up assignment section on this document).

2.LEARN ABOUT OTHER SUMMER PROGRAMSHERE:

<HTTPS://BLOG.PREPSCHOLAR.COM/PRE-COLLEGE-SUMMER-PROGRAMS-FOR-HIGH-SCHOOL-STUDENTS>

Peak Education/Elevated have also partnered with FTE Economics for Leadership Program in the past. You might also want to check out their programs: <https://www.fte.org/> Let me know if you apply!

MAKE-UP ASSIGNMENT DUE APRIL 9TH

If you missed the summer programs fair, please do the following by April 9th (although I suggest you check out the opportunities by March 7th because you might want to take advantage of and apply for a program!

Since this was a virtual “fair/expo,” the breakout rooms weren’t recorded. However, the large group recordings were. So, do the following to complete your make-up:

1. **Watch the recording** (see times below)
 - a. Intro to summer programs, College Prep Academy, Overview of Featured Programs at the fair: 00:01-20:00 and then skip to 25:00 for the rest!)
 - b. Elevated Internships and Summer Writing Workshops (25:00-end)
 - i. Part of Ms. Roberts’ intro about the Elevated Internships was cut off. You can learn more about the internships at <https://www.sachsfoundation.org/volunteerinternship-opportunities.html>. *If you’re interested in doing an Elevated internship (you must be part of the Elevated program), you’ll be able to indicate in the make-up quiz/interest form below. The same goes for the summer writing workshops*

2. Research THREE summer programs by visiting their websites:

- a. [CU Boulder KeyBank Business Program](#) (apply by March 6th; for current 11th graders)
- b. [UCCS STEM Academy](#)
- c. [Colorado College Summer Pre-College Program](#)
- d. [CSU's global business academy](#)
- e. [CSU's LDZ Program](#) (for LatinX and Hispanic students)
- f. [Leadership Pikes Peak-Leading Edge](#)

Some programs might only be for 11th graders, but I encourage any 10th graders to explore these programs because you might want to apply next year!

3. After researching three programs, complete [THIS FORM](#) to receive credit!
